**Facing  
challenges  
paying  
Medicare  
costs?**

## Get help from your state

If you have or are eligible for Medicare Part A (Hospital Insurance), and have limited income and resources, you may be able to get help with your health care costs.

One of these Medicare Savings Programs may help you pay your Medicare premiums, deductibles, coinsurance, and copayments:

- Qualified Disabled & Working Individuals (QDWI) Program
- Qualifying Individual (QI) Program
- Qualified Medicare Beneficiary (QMB) Program
- Specified Low-Income Medicare Beneficiary (SLMB) Program

## Get help to apply

Contact your State Medicaid office to apply for a Medicare Savings Program or Medicaid in your state.
